**AMENDMENT**Assistant Commissioner of Patents  
Washington, D.C. 20231

Sir:

This Second Amendment is in response to the Office Action of March 11, 2003, and the Notice of Non-Compliant Amendment dated June 12, 2003. While it is not clear as to the problem with the amendment since no error was noted in the aforementioned Notice, Applicant notes that claim 14 was not listed as being canceled and the Remarks did not start on a new page, and these items are corrected in this Second Submission. In response to the Office Action of March 11, 2003, please amend the application as follows.
